FINE DINING | ATMOSPHERE IS OUR ATTITUDE!

Following the motto „FINE DINING“, we present you a suggestion for your event in Oktogon.

FINE DINING

Fine dining in the „Lounge Area“, an exquisite offer from the „Tea Room“, as well as the the „Confiserie“ and the aroma of the „Barista“, together with our charming service staff, provide stimulating conversations in an exceptional atmosphere.

Atmosphere is our attitude!

To meet these requirements, we ensure at all levels that high quality goods and products are used. From the meals to the barista, to the gourmet juices from the bar or the cocoa varieties from the chocolaterie.

Our service and hostess staff was specially trained for the premium sector.

At the Zollverein World Heritage Site, we regularly hold reference events from the Federal Congress to the gala event as a full-service provider.

Highest standards and utmost professionalism are part of our daily activities. We would appreciate to be able to convince you in the context of your event in our Oktogon.

FINGERFOOD AT THE LOUNGE

Suited to the season, we present you menus that reflect the fine German cuisine.  
Winter vegetables in exquisite compositions.  
Freshly prepared a treat for your guests.

FINE GERMAN CUISINE IN THE STANDING AREA

Similar to the fine cuisine of the lounge, there are also parallels here: selected savory snacks, typically „ruhr-like“, for example, served in small handle-men and consumed in an uncomplicated way. Homemade cake completes the offer.

Chocolate makes happy!

For centuries chocolate stimulates the senses and inspires young, as well as old, in many forms.

From aphrodisiac to mood-lifting, chocolate comforts the soul, but unfortunately not the stomach.

Our exclusive chocolates are made by the most highly decorated German chocolate artist in a nearby manufactory.

This also applies in particular to our chocolate fountain, which is filled with the finest cocoa varieties.

DIE LEBENSART VENEZIENS

LEONARDO D'ISTRIA | The counting house for goods in Venetian tradition

LEONARDO D'ISTRIA

Leonardo d'Istria exclusively at the Oktogon Zeche Zollverein

In the history of Istria, the Romans and later the Venetians played a significant role. The 1000-year influence of Venice in Istria, Kvarner and Dalmatia has created its own Mediterranean culture.

You can still feel it today in the music, architecture and cuisine of the people. In addition to offering the most exclusive goods, our counting house provides an insight into the culture of Istria.

**FINE DINING | BOWL FOOD**

The colors and shapes of food and the way we do it, when it appeals to us, miraculously stimulate our senses and our appetite. This is also the secret of the Bowl dishes, which are currently prepared in great variety, with a lot of imagination and attention to detail.

Pan-fried dishes are freshly prepared locally. These are served in handy cups - "Our bowls" - over our service staff in belly shops, as well as at the output station.
