OKTOGON SUMMERGARDEN

"CAMPUS FLAIR AT THE ZECHÉ ZOLLVEREIN"

The mood of a summer event in Oktogon excited. The cozy lounge atmosphere sets the highlight for a successful day at the Zollverein colliery.

Enjoy with your guests the special flair of an imposing industrial plant in our summer garden and celebrate in the open air. Depending on your budget and clientele, our kitchen will prepare you an international barbeque variation.

Fire columns, summer umbrellas, chill out areas, sand islands and large-screen projections create a metropolitan atmosphere.

**“FRESH SIDE DISHES AND SUCCULENT MEAT
FROM THE GRILL”**

BBQ on a warm summer evening - for many people, there is hardly anything better.

In OKTOGON is in every season „grill time“!

Juicy steaks and crispy sausages, fresh zucchini, eggplant, corn and mushrooms directly from the griddle!

Our grill masters enchant their guests with specially created grill recipes. Side dishes such as salads, bread variations and dips are the ideal accompaniment to spicy grilled food.

A nighttime photograph of the OKTOCON building, a modern structure with a large, illuminated, geometric tower on top. The building is lit up with warm orange and yellow lights. In the foreground, there are several cars parked, and a group of people is gathered near the entrance. The sky is dark blue, and some trees are visible on the left side.
